All Renters:

- All renters must present a valid issued driver's license. A valid driver's license is one that has not expired and shows no restrictions that would prevent the renter from legally driving an Avis vehicle.
- If the driver's license is not in English, then an International Driving Permit is strongly recommended; this is required for translation purposes to confirm the validity of the driver's license for the safety of our renters and for Avis.
- Rates are not valid for U.S. or Canadian citizens or holders of a USA or Canadian License.
- A copy of license is not accepted.

Credit Card

Lead Driver

- The credit card, driver's license, and reservation must all be in the same name.
- Only physical credit cards are accepted (either embossed or un-embossed). Virtual cards and cash deposits are not permitted.

They must collect & return the car hire to the depot confirmed on your car hire voucher. No refund is given on partially used rentals or for late pickup.

4. Age Restrictions

The minimum driver's age is 21 years. All drivers 21-24 years will be subject to a daily surcharge from USD\$27* per day + taxes which is payable locally. These fees will be applicable for the full duration of the rental. In the states of New York and Michigan, the minimum driver's age is 18 years, and the following young driver fees are payable locally:

If further additional drivers are required, the Additional Authorized Driver charge is USD \$13.00* per day, with a maximum charge of USD \$65* per rental per driver plus taxes and surcharges.
